Internal Audited Placement Report of the Batch 5 (2017 – 2019) Post Graduate Diploma in Management

The audited Placement Report prepared by Xavier Institute of Management and Entrepreneurship, Kochi (XIME), for the final placements of the students of the 2017-19 batch of the PGDM programme. The Placement Report is the responsibility of XIME. Our responsibility is to- validate the information provided in the report with the relevant documentation, and comment on the Placement Report's conformance with reporting standards of placements.

In this context, we confirm the following:

1. For the purpose of the audit, we have obtained all the information and explanations, which to the best of our knowledge and belief were necessary. In our opinion, the Placement Report complies with the Placement Reporting Standards.
2. The validation of information presented in the report is based on communication received by XIME from recruiting companies.
3. We have verified the information with respect to remuneration and job function presented in the report with communication received from recruiters. Information regarding compensation received from individual students has not been used.
 - a. Where offer letters or other recruiter communication was not available, the report considers the record as data unavailable. We have not been able to verify the status of such students since there is no record.
 - b. The information has been categorised as best as possible under different salary heads as given in the reporting standards: where a break-up was not available, the salary has been considered only as Maximum Cost to the Company (CTC).
4. XIME maintain separate sign-out forms for students who have opted out of the placement process based on the official communication to the placement officer.

Jackson D'silva
Placement Officer & Assistant Professor
XIME Kochi
